

Scouting Bismarck

June 4 - 6 members of Ashley's Pack 21 and Troop 21 celebrated the 100th anniversary of Scouting by camping out with 2,500 other Scouts in Bismarck. Pictured left to right (back) are Warren Martz, Jacob Meidinger, Dylan Bender, Tyler Haugom, Philip Meidinger, Joddy Meidinger. (Front) Tanner Kempf, Collin Martz, Ben Meidinger, Trey Haugom helped make history by being the first ever to camp on the capitol grounds. The weekend included opportunities to learn about our North Dakota heritage, earn some Scouting badges, and pursue any number of booths and exhibits available along the midway, ranging from how to fish for salmon to how to drill for oil; from racing pinewood derby cars on the world's longest track to learning what to do in case of a house fire; from learning about robotics to how to climb a rock wall. Shawn Haugom, Warren Martz, John Kempf, and Joddy Meidinger were the leaders. The highlight of the weekend's festivities included talks from impersonators of Lord Baden-Powell, the Englishman who started the Boy Scouts, and Teddy Roosevelt. Also, there was a magic show which included inspirational wit and wisdom geared specifically toward Scouting. The Saturday night laser show was the most memorable, according to the Scouts who attended.

NOTICE OF INTENT TO AMEND

ADMINISTRATIVE RULES

relating to closing the metrology laboratory, determining corridor size, letters of intent, and requests for jurisdictional determinations in energy conversion and transmission facility siting cases, standardizing the content and format of annual reports tracking renewable electricity and recycled energy, implementing the requirement that the commission's wind farm decommissioning rules address present and future natural resource development, and repealing inconsistent language regarding practice before the Commission.

Public Service Commission
